DETAILED PROVISIONAL RESULT OF COMPUTER BASED TEST (CBT)

NOTIFICATION NO. 1/2016

REF: PROVISIONAL RESULT DECLARED ON 28-04-2017

1. On 12th April, 2017 RRC-WR had uploaded the online live portal of complete exam details of each individual candidate's i.e Registration number, Roll number, number of valid questions, attempted questions, correct answers, wrong answers, net marks, scaled marks, normalized marks etc. on website. Individual candidate can view the same by entering the **Registration number** and Date of Birth.
2. On 28th April, 2017 (i.e after 16 days of uploading of online live portal of exam details), result of 1272 candidates who have qualified for Aptitude Test of ASM has been declared. List of Roll numbers of such candidates has been published on the RRC website www.rrc-wr.com.
3. Later on it is observed that few roll numbers of the list are duplicate i.e two different candidates having **separate unique registration number** have been allotted same roll number. The matter has been examined with nominated Exam Conducting Agency and found that in the list of 1272 there are 8 such roll numbers which are allotted to two different candidates. Details of such 8+8=16 candidates are enclosed as Annexure-I. This has happened because the Exam Conducting Agency has kept the registration number which is generated at the time of online filling of Application Form as reference for entire process and generated roll number, only for seat planning of the test. Agency has generated fresh roll number for the rescheduled test of 24th December, 2017 due to which few roll numbers which were earlier allotted to some candidates on 16th October, 2016, have been reallocated to some other candidates on 24th December, 2016.

Registration number in all such cases remain unique to the candidate and entire processing have been made based on their unique registration number, therefore preparation of result, sending SMS to qualified candidates have been made to those candidates only who have secured more marks than cut off marks.

4. To clear any confusion, complete list of 1272 qualified candidates having details of their Registration number, Roll numbers, Name and DOB is uploaded on the website (Annexure-II). The sequence of the list is not based on merit order but in the same ascending order of Roll number, in which earlier list of Roll Number (which is also available on the website) was published.
5. The result has been prepared following reservation rules etc. Cut off marks for UR-48.10%, OBC-43.45%, SC-38.87%, ST-39.11%. It is also intimated that for all future processing, **Registration number** of the candidate will be main reference point.
6. Aptitude Test of qualified candidates will commence from 29th May, 2016 and will be held at Rail Nikunj, Opp. DRM Office, BCT. Other instructions/details notified on 28-04-2017 will remain same.
